

Saint Mars - A Love Impossible

Verse 1

So is my destiny
One thousand tears that you will never see
Such a destiny
One million kisses I will never give

Pre-Chorus 1

I wear this thing like a tattoo
Covering my lips
(...Where your breath will never slip)
Kids are running down on the beach
Knowing nothing of the chill trapped in me

Chorus 1

Living in the cherry sky in me
Singing in the very deep of me
I know I'll never burn this love impossible

Verse 2

So is my tragedy
Too many dreams that I will never live
Such a tragedy
Too many sees running inside of me

Pre-Chorus 2

Hiding in my coat like a ghost
Chaining my soul
(...Chaining my soul)
A girl is chasing shadows inside
Horses are out for a ride
But no one can see

Chorus 2

Living in the cherry sky in me
Singing in the very deep of me
I know I'll never burn this love impossible

I know I'll never burn this love impossible
I know I'll never burn this love impossible

Oh-oh-oh-oh-oh-oh-oh-oh-oh-oh-oh-oh-oh-oh-oh-oh
